The Texas Tuition Promise Fund® (“Fund”) is administered by the **Texas Prepaid Higher Education Tuition Board** (“Board”). Orion Advisor Solutions, Inc. is the plan manager of the Fund. The Fund and the Board do not provide legal, financial, or tax advice and you should consult a legal, financial, or tax advisor before participating.

Non-residents of Texas should consider whether their home state, or the beneficiary’s home state, offers its residents any tax or other state benefits such as financial aid, scholarship funds, and protection from creditors that are only available for participants in that state’s plan.

Participation in the Fund does not guarantee admission to or graduation from any college or university. Only the purchaser may direct redemptions, withdrawals, changes in beneficiary, or other contract changes.

You may lose money by participating in the Fund. No part of a contract is a deposit or obligation of, or is guaranteed or insured by, the Board, the state of Texas, or any agency or agent thereof. The contracts have not been registered with or approved by the SEC or any state. Purchasers should carefully consider the risks, fees, charges, and expenses associated with contracts, including Fund termination and reduced Transfer or Refund Value. Transfer Value applies to redemptions at Texas private colleges and universities, out-of-state colleges and universities, medical and dental schools, career schools, and registered apprenticeship programs and is the lesser of: (1) the costs the units would cover at a Texas public college or university; or (2) the original purchase price of the units plus or minus the Fund’s net investment earnings or losses on that amount. The **Plan Description and Master Agreement** contain this and other information about the Fund and may be obtained by visiting www.TexasTuitionPromiseFund.com or calling 800-445-GRAD (4723), option #5. Purchasers should read the Plan Description and Master Agreement, and all other Fund documents carefully before purchasing a contract.
